

**IN THE CLAIMS**

This following list of claims replaces all prior listings of claims in the present application:

Claim 1 (currently amended): A pharmaceutical composition essentially comprising an extract of the radish and tea leaf plants radish, tea leaf, Daucus carota var sativa and at least one extract of plant selected from the group consisting of, Aurantii nobilis Pericarpium, Aurantii immatri Pericarpium, Ficus carica L., Allium cepa L., Mume Fructus and Prunus armeniaca as an active ingredient in an effective amount together with a pharmaceutically acceptable carrier thereof to treat and prevent alleviate constipation and intestinal disease caused by microorganism(s), and constipation, ~~together with a pharmaceutically acceptable carrier thereof.~~

Claim 2 (original): The composition of claim 1, wherein the radish is the root of *Raphanus sativus* L. or *Brassia Lap.*

Claim 3 (currently amended): The composition of claim 1, wherein the tea leaf is unfermented or fermented leaf of *Camellia sinensis* ~~and other similar species thereof.~~

Claim 4 (currently amended): The composition of claim 1, wherein the tea leaf is ~~selected at least one~~ selected from the group of tea leaf consisting of green tea leaf, oolong tea leaf, black tea leaf, Pu-erh tea leaf, Tien-Guan-In tea leaf and Boe-Jong tea leaf.

Claim 5 (canceled).

Claim 6 (withdrawn): The composition of claim 5, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, *Ficus carica* L., *Alliumcepa* L. and *Mume Fructus*.

Claim 7 (withdrawn): The composition of claim 5, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, and *Allium cepa* L.

Claim 8 (withdrawn): The composition of claim 5, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium and *Aurantii immatri* Pericarpium.

Claim 9 (withdrawn): The composition of claim 5, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, *Ficus carica* L. and *Mume Fructus*.

Claim 10 (withdrawn): The composition of claim 5, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, *Ficus carica* L., *Allium cepa* L, Mume Fructus and *Prunus armeniaca*.

Claim 11 (withdrawn): The composition of claim 10, wherein the pharmaceutical composition is essentially comprising an extract of crude drug combination consisting of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, *Ficus carica* L., *Allium cepa* L, Mume Fructus and *Prunus armeniaca* with the ratio of 1~ 2 : 0.1~ 1 : 1~ 2 : 0.01~1 : 0.1 ~ 1 : 0.01 ~ 1: 0.1 ~ 2 : 0.01~1: 0.01~ 1.

Claim 12 (canceled).

Claim 13 (withdrawn): A process for preparing crude drug composition comprising the step consisting of; (i) washing, cutting into small pieces and smashing or drying crude drugs comprising of radish, tea leaf, *Daucus carota* var *sativa*, *Aurantii nobilis* Pericarpium, *Aurantii immatri* Pericarpium, *Ficus carica* L., *Allium cepa* L, Mume Fructus and *Prunus armeniaca*; (ii) mixing dried or juicy form of crude drugs with appropriate ratio (w/w) with 5 to 20-fold of distilled water, alcohols or the mixtures thereof; (iii) heating the mixture at the temperature ranging from 70 to 120°C for the period ranging from 1 to 5 hours with 1 to 5 times; (iv) and

lyophilizing or drying the extract to obtain an pulverized form of crude drug composition.

Claim 14 (currently amended): A health care food comprising the an extract of radish and tea leaf plants selected from the group consisting of radish, tea leaf, Daucus carota var sativa, Aurantii nobilis Pericarpium, Aurantii immatri Pericarpium, Ficus carica L., Allium cepa L., Mume Fructus and Prunus armeniaca. together with a sitologically acceptable additive in an effective amount for preventing treating and alleviating constipation and intestinal disease caused by microorganism(s) and constipation.

Claim 15 (canceled).

Claim 16 (withdrawn): The health care food of claim 15 wherein the health care food essentially comprises the extract of crude drug combination consisting of radish, tea leaf, Daucus carota var sativa, Aurantii nobilis Pericarpium, Aurantii immatri Pericarpium, Ficus carica L., Allium cepa L., Mume Fructus and Prunus armeniaca.

Claim 17 (canceled).
